

*Dear Friend:*

You've attended our programs before and experienced first hand the entertaining, enlightening, provocative, and progressive films, film festivals and events we have here at The Carolina Theatre, but did you know these programs are produced by a the nonprofit Carolina Theatre of Durham, Inc. (CTD)?

The next film festival on our calendar is a CTD signature event, The North Carolina Gay and Lesbian Film Festival (NCGLFF). This year we will be celebrating the 13th year of this great festival and we expect it to be better than ever!

***We'd like to invite you to take part in the 2008 NCGLFF.***

More than ever before, filmmakers are clamoring to be involved with this year's festival. We know it will be our most prestigious to date, but we need YOUR SUPPORT!

Your ***tax-deductible donation*** to The Carolina Theatre will earn you great benefits like movie passes that can be used at screenings presented by CTD, parking coupons, free popcorn and much more, depending on your level of membership. Take a look at the back of this letter for all the details.

***Not only will you enjoy the V.I.P. treatment you receive as a Star Member, you will be helping us to ensure that CTD programming continues to grow and inspire each year.***

A contribution envelope is enclosed for your convenience. With your help, CTD and its signature programs will continue to flourish into the next decade and beyond. Thank you so much for your support!

Sincerely,

Connie Campanaro

*What I love most about the Carolina Theater is that it contributes to Durham's authenticity. Like the great independent restaurants that fill downtown Durham, the Carolina thrives on performance and culture that is rooted in Durham's creative heart. Durham's creative and authentic spirit cannot be replicated any where else on the planet, and the Carolina is one place in downtown where that spirit steadily shines.*
